

The Canadian Club of Hamilton presents

Tim Hudak, MPP

Leader of the Ontario PC Party

Wednesday October 20th, 2010

Registration at 11:30 a.m. Lunch at 12 noon at The Waterfront Centre

Tim Hudak and his sister grew up in a middle class household in Fort Erie. His dad was a high school principal and his mom was a teacher. Tim learned the importance of self-reliance and community involvement from his parents and grandparents who originally came to Canada from Eastern Europe in advance of World War Two.

Tim put himself through university working on the U.S. – Canada Border. He earned an Economics degree from the University of Western Ontario and was subsequently awarded a full academic scholarship to the University of Washington where he obtained his Masters of Arts in Economics.

Tim traveled across Canada as part of a management team helping a major international retailer grow its operations throughout Canada. Before entering public life, he worked for the Fort Erie Economic Development Corporation.

In the 1995 Ontario General Election, Tim was elected as MPP for Niagara South. During his time serving the people of Ontario as a Cabinet Minister, Tim held three separate economic portfolios. In 2009, Tim was elected as the Leader of the Ontario PC Party.

In 2007, Tim and his wife Debbie became proud parents with the birth of their daughter Miller. Despite the long hours and time pressures that come with a career in public life, Tim makes it a priority to spend as much time as possible with his family, and can often be found taking his daughter for walks near their home.

In his spare time, Tim is an avid student of economics and Canadian history. He was a volunteer sports coach, and loves basketball, soccer and football. Tim remains deeply attached to the Niagara countryside of his youth and enjoys mountain biking, outdoor cooking and kayaking on the Welland River near his home.
